

METHODIST MINUTE

An update on the progress made possible by your support

Methodist Hospital Foundation | Winter 2016

New Cardiac Cath Lab Opens

Cardiac Cath Lab

As part of the Methodist surgery renovation and expansion project, the first of two new cath labs has been completed. The second one will open in March.

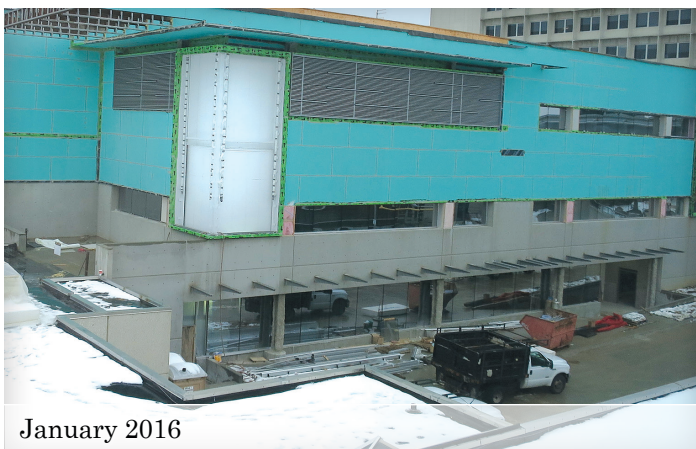

This fall another important milestone will be achieved: 15 brand new operating rooms will be completed. These state-of-the-art rooms will strengthen Methodist's reputation as the regional leader in surgeries.

METHODIST WOMEN'S HOSPITAL NICU EXPANSION

NICU Fundraising Report

NICU expansion project

Family room

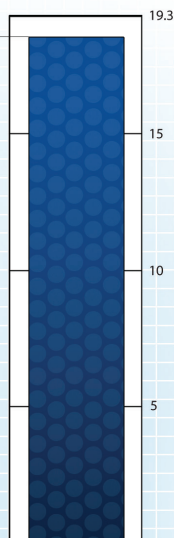

NICU patient room

Campaign Goal: \$19.3 Million

\$18,755,339

Left to Raise:
\$544,661

*Dollars Raised as of
January 2016*

We're Almost There!
***Will you help complete
this lifesaving project?***

Methodist Women's Hospital has the fastest growing and most utilized NICU in the region.

- Campaign nearly doubles the number of NICU beds
- Adds lifesaving technology
- Includes more family space

Sharing the Care

Methodist Hospital Foundation raises funds for critical capital projects that enhance patient care throughout Methodist Health System.

In addition, the Foundation distributes \$4 million annually through programs including cancer care, charitable care, community service and health care education.

Some recent examples of your donations at work:

- Paid utility bill for cancer patient who received a shut-off notice and is too sick to work.
- Purchased car seat for NICU patient too small for a standard-size seat.
- Provided recovering patient with vital medication he couldn't afford.
- Paid for stroke patient's hospice care when family could not provide it.
